

BUI THIEN AN

JUNIOR .NET DEVELOPER
(REMOTE FULLTIME)

ABOUT

I start learning .Net & Angular since 2020. And now I have deep understanding about the structure of website, deep understanding how to design and code them. I am looking for and applying for a job that matches my knowledge and improves my skills.

EDUCATION

BACHELOR OF BUSINESS ADMINISTRATION

University of Economic Ho Chi Minh City | 2008 - 2012
Good degree

EXPERIENCE

One year experience

I learned on Udemy and completed some projects on it. Now, I can analyze, design and code some websites by .Net MVC or .Net API with Angular. I'm building a commerce website, its sourcecode is in my Github:
<https://github.com/lynbaty/danatea>.
